Becoming a Certificate Candidate:

Students who wish to pursue a certificate must first enroll in a Continuing Education certificate program course. They may declare their candidacy at any time during the academic year. Students who take certificate program courses with the intention of becoming a candidate at a later date have a one-year grace period in which to declare candidacy.

Please complete this form and send it to the Continuing Education Office once you have enrolled in a course. After the application is processed, you will receive a confirmation email welcoming you to the program.
