

AGES 6-8

SPRING VACATION CAMPS

Claymania

Young artists explore the potential of clay while using the pinch, slab and coil methods. They add surface patterns and colored glazes and their raw materials are transformed into works of ceramic art.

Monday-Friday, Mar 11-15 | 9 am-4 pm
5 sessions | Tuition \$515 |

Carnival: Party on Parade

Campers create larger-than-life puppets while learning techniques using colorful paints, fabrics and recycled materials. No idea is too wild as they draw inspiration from international carnival costumes.

Monday-Friday, Mar 18-22 | 9 am-4 pm
5 sessions | Tuition \$515

Art Garden @Tillinghast Place

The natural world inspires young artists to draw, paint and sculpt projects related to the growing world. Lessons in observational drawing and scientific illustration become handmade journals, paintings and sculptures.

WESTERLY TEEN COURSES AGES 13-17

FEATURED COURSES

Making Beads + Amulets

Polymer clay, a colorful plastic material that is soft at room temperature but hardens when exposed to heat, is the medium for this jewelry making class. Teens complete three projects: a necklace, a pair of earrings and a ring.

Saturdays starting Apr 27 | 9 am-noon
4 sessions | Tuition \$230

Original Duplicity: The Art of the Print!

Through printmaking—a process used to duplicate an image—original and found imagery can be layered to create original collages in multiple editions of identical or altered variations. Students explore non-press printing techniques that can be replicated at home.

Saturdays starting Apr 27 | 1-4 pm
4 sessions | Tuition \$230
